family portraits

“I didn't blink..but you still grew”

Life is fast...too fast actually. You can't stop time, but by having these early photos of when your children were young, is priceless.

You can look back at that time of beautiful chaos and that awful mess of wonderous life and just....remember.

Tizia xxxx

all the things you get:

- 1 to 1.5 hour coverage at a park or a river located near my studio. Or if you have a park or favourite location in mind, just let me know, I love an adventure.
- All-inclusive beautifully hand edited high res images.
- Custom timber USB containing all your images.
- 6 x 4 inch hardcopy prints of all your images so you can touch and feel your photos.
- Packaged in an organic timber keepsake box.
- Assistance with clothing style and colours for all members of the family.

\$800.00

extended family sessions add \$100

add a beautiful custom album
perfect to hand down to your children and generations to come

8 x 10 inch album
Personalised image cover
Layflat design
Thick archival pages
20 sides
Organic natural cloth bag to house your album

I use my favourite professional Melbourne based album manufacturer for this service because of their rich colour and gorgeous paper quality.
